OREGON, MISSOURI, DECEMBER 6, 1878.

WADE HAMPTON'S leg is healing, bu his reputation has relapsed. Some articles of produce are lower now that before the war. Corn his not been so low since 1845, excepting

in 1861 and cotton not so low in twentythree years, average MERELY because he tied her up with a clothes line, poured kerosene over her and was about to light her, Mrs. Welton, of Pincounth, Conn., is suing

for a divorce.

THE Marquis of Lorne and his royal wife, the Princess Louise, arrived in Canada last week, where the former will immediately lenter on the discharge of his duties as Governor General. The Princess Louise, in her trip acr ss the ocean, found that there were other royal personages besides her queen mother Old Neptune claimed her allegiance, and she was as gen sick as the daughter of the com monest steerage passenger.

time to the country. I must go out and with these two things also picked the liberated race in the Southern tranged. I feel an absolute assurance of beginning, in the town of Oregon; as up two millions of dollars, which he States. All disturbing influence, real that the tendencies are in that direcsays will do him for another term.

snatching. The grave of Commodo:: tour men to guard the tomb of her tegrity and pe petuity of the union at husband for two years. Two of them such a cost of treasure and life, as a will watch during the night, and the wise and necessary embodiment in other two will stand guard through. the organic law of the just results of man should die without it

a precisely similar cause a few months stitutional freedom and protection for the same period will be, actual and

tensive preparations made in this metry by the owners of horses for the capture of horse thieves. The Grand Order of the Anti-Horse-Thief Association was recently in session in Keokuk, and over one hundred delegates representing seventy todges, were present. In the states of Iowa, illinois, Missouri and Kansas, there are one red people, and a more just and gener- ed according to existing laws, will be hundred and five lodges, and such is the secrecy of the institutions that the existence of many of these lodges is not even suspected in the localities where they are lacated.

..... PHISS JOKES."

During the next two years our readers will see much in the papers about "kiss jokes" and, in order that they may know what is meant by the phrase, the SENTINEL here gives the explana-

Previous to the late election in South tions seem to compel the conclusion er, a substantial compliance with the Carolina a conspirary was formed to that the rights of the colored voters conditions of the law. By its terms carry the State for the Democrats, by have been over ridden, and their par the public debt should have been retair means or foul-but principally ticipation in the elections not permit-duced between 1862 and and the close foul. To this end, tickets about three ted to be either general or free I: of the last fiscal year \$518 361,866 28. inches long by a little over an Inch will be well for Congress, for which The actual reduction of the ascertained wile were printed on the thinnest these elections were held, to make debt in that period has been \$720,644, quality of tissue paper and distributed such examination into their conduct as 730 61, being in excess of the reduction by thousands throughout the State,- may be appropriate to determine the required by the sicking fund act of These tickets were never seen by any validity of the claims at members to \$202,282,933 83. The amount or pubexcept the initiated, until the ballots their seats. In the meanwhile it be- lie debt less cash in the treasury Nov. were counted, when every ballot-box comes the duty of the executive and 1st 1878, was \$2,304,200,083 18, a rewas found in be full of them. They indicis! departments of the govern duction since the same date last year had been folded in the regular tickers., ment, each in "s province, to inquire of \$28,150,617.39.
